Academic Curriculum Information for Year 5

Assessment Methods: How children will be assessed, any standardised testing dates, and expectations for Home Learning (amount, days, rewards)

- Maths - End of unit assessments (e.g. at the end of our Place Value Unit) & Termly assessments
- English - Informal day to day assessments of their writing. Cold writes are done at the end of each term.
- **Home Learning** (optional) - Weekly spellings, maths sheet based on current learning. (times tables) Will be given out each Friday.

We encourage the children to read a minimum 3 times a week and to record this in their contact book.

Health and Safety

- Please ensure all details are up to date with the office (contact details and medical details)
- Phoning absence in the morning due to illness as early as possible
- Medicines to be dropped at the office and forms completed (not in children's bags)
- Red bracelets will be given for head bumps
- Office will call if they deem parent or carer communication to be necessary

Daily Routine and Logistics

- **School Schedule:** Gates open at 8.30 and **children need to be in class** by 8.45 to complete morning work. Pickup 3.15.
- **Drop-off and Pick-up Procedures:** The playground. Please ensure office know of any change to adults picking up as we can't release children to unknown adults or siblings.

4. Communication Channels

- **Contact Information:** emails to office@bandonhillprimary.co.uk will then be sent to individual teachers
- **Communication Tools:** MCAS will continue to be used as well as Communication Books
- **Parent-Teacher Meetings** have been pencilled in for:
 - **Monday 14th October & Thursday 17th October**
 - **Monday 03rd March & Thursday 06th March.**
 - **Monday 23rd June & Thursday 26th June.**

Bandon Hill Parent-School Communication		
Messages via MCAS and Letters		Some messages will be sent as a reminder for events and commitments that have already been communicated to the school family. These reminder messages might be to the whole school (such as a reminder for a MUFTI Day) or for a specific class or Year group (for example a Nativity at Christmas). Most letters will be sent out by MCAS while others will be sent as a paper copy. We aim to send out letters telling you about new events/trips/activities with at least four weeks' notice. The exception will be if we are offered an opportunity for our children with short notice and we think that it is something that we should organise at short notice. There might be a reminder message nearer the time if it is appropriate.
Social Media		Our Instagram page is there to celebrate what has been happening in school. This is the place to go to see photos, messages, reports and reviews of all that has been happening in our school. You might find out about something that has been happening that you were unaware of as it was not linked directly to your family. Please be aware that you do not need to have an Instagram account to be able to see what is happening – just follow the link directly from the website.
Website		Our website will contain all the statutory information for the school. The content of the website will remain fixed, with the only information that will be regularly updated being the school calendar and copies of letters that have been sent home. New school policies will also be added throughout the year, as many are reviewed annually.
The Newsletter		Our whole school newsletter will be sent out each week. It will contain reminders for all key dates, requests or reminders. It will also contain a message from the Headteacher or Deputy Headteacher. We will also use it to share opportunities for clubs and activities that are being held locally which families may wish to take advantage of. The spellings for the following week will be added to this newsletter.
Contact books		Contact books are the daily communication between parents and teachers, serving as a platform for short messages from home or school. Staff members will sign the book daily (even in the absence of messages). The contact book is also where parents record and sign their child's daily home reading. We recommend reading five times per week. We ask that urgent information for that day, such as a medical appointment or a change of pick-up arrangements, is communicated directly to the office by email, phone or through conversations with the office team face-to-face.
Emergency Messages		Emergency messages will be communicated by email, text, Instagram and the website. An obvious example of this would be a school closure.

Supplies and Uniforms

- **School Supplies List:** Children can bring in their own equipment, provided it is named. We will of course continue to provide particular stationary, especially for writing.
- **Uniform Requirements:** Cladish uniform now available on their website.

PE Days:

Once again the children will need to arrive in school in their PE kits on their PE days. This will be twice a week. Please ensure that children have the appropriate kits on these days including suitable footwear for outdoors.

Please remember that jewellery cannot be worn during PE lessons. Earrings should ideally be removed or taped up for these lessons as a matter of health and safety.

PE kit

- House coloured t-shirt
- Black shorts/joggers/leggings
- Predominantly white or black trainers

Curie: Tuesday/Wednesday
Hawking Monday/Tuesday
Starting this week

Swimming will take place in the spring term.

Walking Home:

In Year 5 children are permitted to walk home from school by themselves. If you wish your child to walk home independently, they need to have written permission from a parent or guardian stating the start date. Children will not be allowed to walk home alone unless the class teacher has received written consent. If there are changes in usual circumstances please let us know. Thank you.

- **Mobile Phones**

Whilst we generally discourage children from bringing mobile phones into school, we understand that on the odd occasion it may be necessary. If your child is bringing in a phone it **MUST** be switched off and handed to the class teacher at the start of the day and will be returned at the end.

Extra-curricular Activities

- **Clubs and Sports:** Some of the available options are seen on the right. Please contact the providers if you would like your child to attend. These will be added to throughout the year.
- **Trips:** Information regarding these will come out closer to the time, but the planned overview can be found on the next slide

Clubs and Sports:

Clubs run by Mr Phillip:

- Basketball
- Football
- Netball
- Badminton
- Dodgeball

Clubs run by Palace for Life:
