Parent & Carer Communication

<p>Messages via MCAS and Letters</p>		<p>Some messages will be sent as a reminder for events and commitments that have already been communicated to the school family. These reminder messages might be to the whole school (such as a reminder for a MUFTI Day) or for a specific class or Year group (for example a Nativity at Christmas). Most letters will be sent out by MCAS while others will be sent as a paper copy. We aim to send out letters telling you about new events/trips/activities with at least four weeks' notice. The exception will be if we are offered an opportunity for our children with short notice and we think that it is something that we should organise at short notice. There might be a reminder message nearer the time if it is appropriate.</p>
<p>Social Media</p>		<p>Our Instagram page is there to celebrate what has been happening in school. This is the place to go to see photos, messages, reports and reviews of all that has been happening in our school. You might find out about something that has been happening that you were unaware of as it was not linked directly to your family. Please be aware that you do not need to have an Instagram account to be able to see what is happening - just follow the link directly from the website.</p>
<p>Website</p>		<p>Our website will contain all the statutory information for the school. The content of the website will remain fixed, with the only information that will be regularly updated being the school calendar and copies of letters that have been sent home. New school policies will also be added throughout the year, as many are reviewed annually.</p>
<p>The Bandon Hill Bulletin</p>		<p>Our Bandon Hill Bulletin will be sent out each week. It will contain reminders for all key dates, requests or reminders. It will also contain a message from the Headteacher or Deputy Headteacher. We will also use it to share opportunities for clubs and activities that are being held locally which families may wish to take advantage of. The spellings for the following week will be added to this newsletter.</p>
<p>Contact books</p>		<p>Contact books are the daily communication between parents and teachers, serving as a platform for short messages from home or school. Staff members will sign the book daily (even in the absence of messages). The contact book is also where parents record and sign their child's daily home reading. We recommend reading five times per week. We ask that urgent information for that day, such as a medical appointment or a change of pick-up arrangements, is communicated directly to the office by email, phone or through conversations with the office team face-to-face.</p>
<p>Emergency Messages</p>		<p>Emergency messages will be communicated by email, text, Instagram and the website. An obvious example of this would be a school closure.</p>

Supplies and Uniforms

- **School Supplies List:** Children can bring in their own equipment, provided it is named. We will of course continue to provide particular stationary, especially for writing.
- **Uniform Requirements:** Cladish uniform now available on their website.

Extra-curricular Activities

- **Clubs and Sports:** Some of the available options are seen on the right. Please contact the providers if you would like your child to attend. These will be added to throughout the year.
