Academic Curriculum Information for Year 5

Assessment Methods: How children will be assessed, any standardised testing dates, and expectations for Home Learning (amount, days, rewards)

- **Maths** - End of unit assessments (e.g. at the end of our Place Value Unit) & Termly assessments
- **English** - Informal day to day assessments of their writing. Cold writes are done at the end of each term.
- **Home Learning** (optional) - Weekly spellings, maths sheet based on current learning. (times tables) Will be given out each Friday.

We encourage the children to read a minimum 3 times a week and to record this in their contact book.

PE DAYS

Once again the children will need to arrive in school in their PE kits on their PE days. This will be twice a week. Please ensure that children have the appropriate kits on these days including suitable footwear for outdoors.

Please remember that jewellery cannot be worn during PE lessons. Earrings should ideally be removed or taped up for these lessons as a matter of health and safety.

Please ensure that the office has up to date medical information including asthma pumps, epi pens etc.

Curie: Tuesday/Wednesday
Hawking Tuesday/Thursday
Starting next week*

Walking Home:

In Year 5 children are permitted to walk home from school by themselves. If you wish your child to walk home independently, they need to have written permission from a parent or guardian stating the start date. Children will not be allowed to walk home alone unless the class teacher has received written consent. If there are changes in usual circumstances please let us know. Thank you.

•Mobile Phones

Whilst we generally discourage children from bringing mobile phones into school, we understand that on the odd occasion it may be necessary. If your child is bringing in a phone it **MUST** be switched off and handed to the class teacher at the start of the day and will be returned at the end.

Health and Safety

- Please ensure all details are up to date with the office (contact details and medical details can be added from home on MCAS - next slide)
- Phoning absence in the morning due to illness as early as possible
- Medicines to be dropped at the office and forms completed (not in children's bags)
- Red bracelets will be given for head bumps
- Office will call if they deem parent or carer communication to be necessary

Go to My Child then either click on Data Collection Form.

Click on the relevant field in Student Information or Parent Information for example Medical Information, then make amendments to the relevant sections.

After all changes have been made, make sure to click Save Changes.

You can do the same with addresses, phone numbers etc.

Daily Routine and Logistics

- **School Schedule:** Gates open at 8.30 and **children need to be in class** by 8.45 to complete morning work. Pickup 3.15.
- **Drop-off and Pick-up Procedures:** The playground. Please ensure office know of any change to adults picking up as we can't release children to unknown adults or siblings.

 - Monday 22nd June & Thursday 25th June.

Parent & Carer Communication

Messages via MCAS and Letters		Some messages will be sent as a reminder for events and commitments that have already been communicated to the school family. These reminder messages might be to the whole school (such as a reminder for a MUFT Day) or for a specific class or Year group (for example a Nativity at Christmas). Most letters will be sent out by MCAS while others will be sent as a paper copy. We aim to send out letters telling you about new events/trips/activities with at least four weeks' notice. The exception will be if we are offered an opportunity for our children with short notice and we think that it is something that we should organise at short notice. There might be a reminder message nearer the time if it is appropriate.
Social Media		Our Instagram page is there to celebrate what has been happening in school. This is the place to go to see photos, messages, reports and reviews of all that has been happening in our school. You might find out about something that has been happening that you were unaware of as it was not linked directly to your family. Please be aware that you do not need to have an Instagram account to be able to see what is happening - just follow the link directly from the website.
Website		Our website will contain all the statutory information for the school. The content of the website will remain fixed, with the only information that will be regularly updated being the school calendar and copies of letters that have been sent home. New school policies will also be added throughout the year, as many are reviewed annually.
The Bandon Hill Bulletin		Our Bandon Hill Bulletin will be sent out each week. It will contain reminders for all key dates, requests or reminders. It will also contain a message from the Headteacher or Deputy Headteacher. We will also use it to share opportunities for clubs and activities that are being held locally which families may wish to take advantage of. The spellings for the following week will be added to this newsletter.
Contact books		Contact books are the daily communication between parents and teachers, serving as a platform for short messages from home or school. Staff members will sign the book daily (even in the absence of messages). The contact book is also where parents record and sign their child's daily home reading. We recommend reading five times per week. We ask that urgent information for that day, such as a medical appointment or a change of pick-up arrangements, is communicated directly to the office by email, phone or through conversations with the office team face-to-face.
Emergency Messages		Emergency messages will be communicated by email, text, Instagram and the website. An obvious example of this would be a school closure.

Supplies and Uniforms

- **School Supplies List:** Children can bring in their own equipment, provided it is named. We will of course continue to provide particular stationary, especially for writing.*
- **Uniform Requirements:** Cladish uniform now available on their website.

Extra-curricular Activities

- **Clubs and Sports:** Some of the available options are seen on the right. Please contact the providers if you would like your child to attend. These will be added to throughout the year.
- **Trips:** Information regarding these will come out closer to the time, but the planned overview can be found on the next slide

Use of Technology

- **Devices:** We use Chromebooks for Computing lessons and Cross Curricular lessons too. Passwords and usernames will be found in your child's communication book
- **Internet Safety:** Guidelines on safe internet use can be found on the school website. All classes will be teaching explicit Internet Safety lessons during the first two weeks of the academic year.
- **Online Presence:** We recommend children not using the internet unsupervised. Apps such as Whasapp should not be accessed by children at Bandon Hill Primary School as the minimum age to use the service is 13.

Nutrition and Health

- **School Lunches:** Menu options can be found on the school website
- Your child can have a free school meal and also bring in additional food too if they would like to.
- Free school meals are exactly that - totally free! Please let the office know if your child would like one.
- **Allergy Policies:** For procedures for managing food allergies and other health conditions please see the school office so we can support families accordingly.

ATTENDANCE

WHY IS IT IMPORTANT?

ABSENCE FROM SCHOOL

Children are required by law to attend school 190 days per year. The Government states that every pupil's attendance should be at least 95%.

How do YOU measure up?

Attendance	Days	Weeks	Lessons
	Absent	Absent	Missed
95%	9 Days	2 Weeks	50 Lessons
90%	19 Days	4 Weeks	100 Lessons
85%	29 Days	6 Weeks	150 Lessons
80%	38 Days	8 Weeks	200 Lessons
75%	48 Days	10 Weeks	250 Lessons
70%	57 Days	11.5 Weeks	290 Lessons
65%	67 Days	13.5 Weeks	340 Lessons
