Winter Craft Afternoon

Dear Parents and Carers,

As advertised in our weekly 'Bandon Hill Bulletin' our Christmas Craft afternoon is fast approaching. We would like to welcome you to Bandon Hill for a delightful winter craft session on Monday 08th December from 1:45 to 2:45pm. During this special event, your children will be engaged in creating beautiful winter crafts. The children will then take these creations home with them at the end of the afternoon.

At 1:45 pm the main school gates will be opened and members of the Senior Leadership Team will be available to guide you to your child's classroom. Each classroom door will feature a sign-in and sign-out sheet, which we kindly ask you to complete upon entering and leaving the room.

During the craft session, you will work with your children within the classroom. If, for any reason, you are unable to attend but are aware of another parent in the class who knows your child, please inform the class teacher so that suitable arrangements can be made for your child to join that parent.

Regrettably, we cannot accommodate siblings who do not attend Bandon Hill for this particular activity. We appreciate your understanding in this matter.

After completing the craft activity, you will be free to take your child home. Before doing so, please ensure you sign both yourself and your child out on the register placed on the classroom door. Exiting the school will be via the main gates, the same way you entered. The school main office entrance will be closed for safeguarding reasons.

For parents who are unable to attend, your children will be dismissed as usual in the playground at 3:15 pm.

Please would you inform the teacher if you are able to participate in the fun through their contact book. We look forward to creating cherished winter memories together.

Mr Hopkins
Headteacher
