Return of School Library Books

Dear Parents and Carers,

As we start the school year, we want to take a moment to thank you for supporting your child's reading development. Our school library is a key part of encouraging a love of reading and it's great to see the children enjoying borrowing and reading books.

Currently our library system is showing a large number of books still on loan from last school year. Your child may come home this week with a reminder slip indicating which book titles are showing against their name. We appreciate that no system is perfect and some books may have been returned that had not been checked in properly, or children may have accidentally returned books to shelves without having them checked in by their teacher.

We would greatly appreciate it if you could have a double check at home to see if you can find the missing book. Whether you find the missing books or need to update us on their status, please return the books or send the slip back with a note for the class teacher **by next Tuesday 22nd September**.

Thank you so much for your continued cooperation in helping us keep our library a welcoming space for all students.

Kind regards,

Mrs Pearce
English Lead
